

# Selinsgrove Local Food Map

This map illustrates the locations of businesses in the Selinsgrove area that sell locally-grown and locally-produced foods. Descriptions of the businesses and their products can be found on the reverse side of the map.

## WHY BUY LOCAL?

### ➔ Exceptional taste and freshness:

- ★ Local food isn't shipped for long periods of time.
- ★ Local food is bred for freshness, not shelf-life.

### ➔ Strengthen your local economy.

- ★ You'll strengthen your community.
- ★ You'll help out family farms, which are in danger of vanishing.

### ➔ Safeguard your family's health:

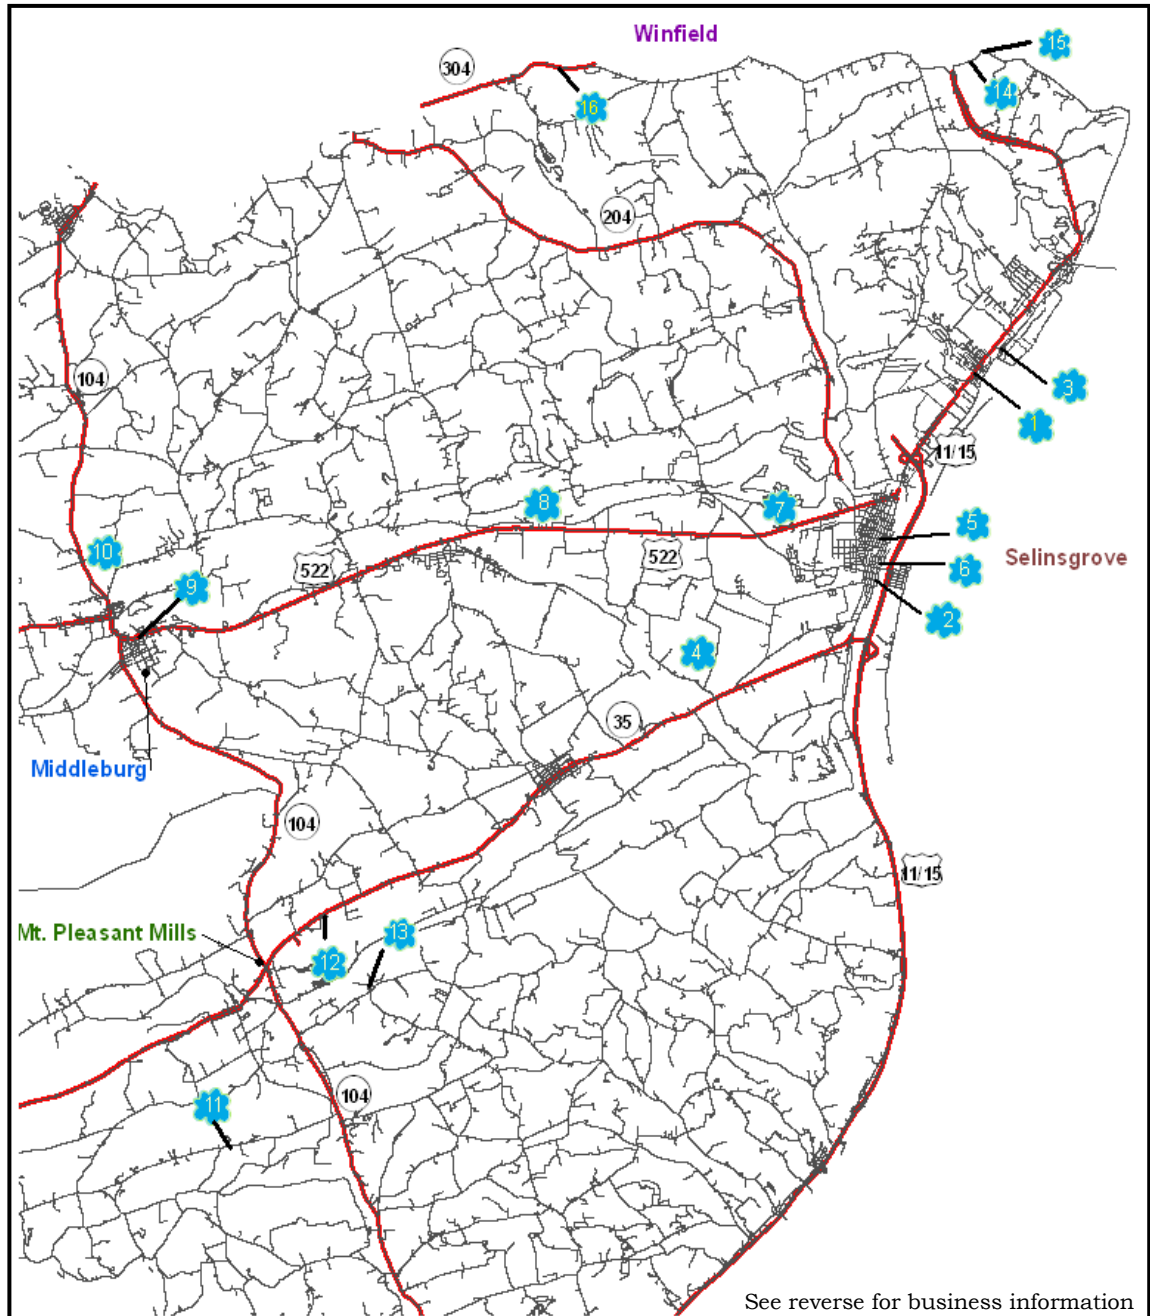

- ★ You'll know where your food is coming from.

### ➔ Protect the environment:

- ★ The average food travels 1,500 to 2,500 miles
- ★ When you buy locally, it cuts travel time.
- ★ It reduces carbon dioxide emissions.
- ★ There is less packaging for your food.
