# Latino Symposium

“Immigration,  
Latino and Beyond”

## About Our Logo

Some see symbolized in this logo the arrival of peoples from all lands and the rich cultural traditions they bring with them. The color blue brings to mind travel across bodies of water; brown, echoing fertile soil; red, the new blood lines and the struggles as immigrants adjust to a new country; with green suggesting their future in a new land. For many, the logo represents a kaleidoscope beautifully crafted with stained glass.
