**How do I receive services from a provider in the network?**

- Call the network provider of your choice and schedule an appointment.
- Identify yourself as a Highmark member, or eligible dependent, in a vision plan administered by Davis Vision.
- Provide the office with your identification (ID) number (located on your Highmark ID card), and the name and birth date of the covered dependent receiving services.

It's that easy! The provider's office will verify your eligibility for services. No claim forms are required!

**Who are the network providers?**

The Davis Vision provider network is being used for this vision product through a contractual arrangement between Davis Vision and Highmark. Davis Vision is an independent company that manages a network of licensed vision providers in both private practice and retail locations. **What about retail locations?**

In order to provide you with the greatest amount of flexibility and convenience, the network includes a number of retail establishments. Benefits at the retail locations may vary slightly from other locations, as noted in this benefit description. However, your value is comparable.
