DH&L Ambulance League Student Subscription Application

**Eliminate out of pocket expense associated with
emergency medical treatment and transportation**

Approx. cost of services without subscription: \$350-\$900

Cost of Subscription: \$25

Subscriptions to the Dauntless Hook and Ladder Ambulance League cover the cost of services provided by us for EMERGENCY medical treatment and EMERGENCY transportation to a local hospital (not exceeding 50 miles) that are not covered by your insurance carrier(s). The Dauntless Hook and Ladder Ambulance League reserves the right to bill any and all of the patient's 3rd party insurance carriers. SUBSCRIPTIONS DO NOT COVER NON-EMERGENCY, ROUTINE OR WHEELCHAIR TRANSPORTS.

The D.H. & L. Ambulance League maintains three Basic Life Support Ambulances. One ambulance is staffed from 6:30 a.m. until 4:30 p.m. daily by Emergency Medical Technicians certified by the State Department of Health. The remainder of the week and all additional units are staffed by on call volunteers, Certified by the State Department of Health as Emergency Medical Technicians, First Responders or Emergency Responders. All drivers of our vehicles must pass a Department of Health Emergency Vehicle Operators Course.

The Dauntless Hook and Ladder Ambulance League staffs a Mobile Intensive Care Unit 24 hours per day, 365 days per year. This unit is staffed by an Emergency Medical Technician and a Paramedic. Paramedics are Licensed to provide more advanced pre-hospital care than EMTs. The advanced procedures started at the scene or during transport to the hospital give you a much greater chance of recovering from your illness or injury.

The Dauntless Hook and Ladder Ambulance League provides Basic Life Support and Advanced Life Support to Selinsgrove, Penn Township, Southeastern Snyder County and other surrounding communities. Purchasing a subscription to our service will reduce or eliminate the out-of-pocket expenses you pay for Ambulance and Paramedic services. (restrictions apply) We also have agreements with other local Ambulance Services that honor our subscriptions for Basic Life Support Services. If you are transported by another Ambulance Service please advise them that you are a subscriber to our service.
