Request for Housing and/or Dining Accommodations

Undergraduates with a documented temporary or permanent medical disability or medical condition requiring accommodation may request housing or dining accommodations to meet their medical needs. Housing accommodations are determined on a case-by-case basis, according to documented need, and prevailing standards for reasonable accommodations. These accommodations are made after a determination of the student's disability status and that his or her particular disability necessitates adjustments to the living environment and available housing options.

Please note that a single room assignment is only granted to students for whom no other accommodation is deemed reasonable, and only when available. A medical condition alone does not qualify a student for a single room assignment. Examples of conditions that ordinarily do not warrant a single room assignment include asthma, allergies, learning disorders, ADHD, insomnia and sleep problems, orthopedic problems.

Please submit this form as early as possible to ensure adequate time to process your request. **Please return to Director of Disability Services, Susquehanna University, 514 University Ave, Selinsgrove, PA 17870 or FAX to 570-372-2781.**
