

## Summer Pre-College Programs Principles of Conduct Form

Dear Parent/Guardian:

To ensure a safe and successful experience for your child, Susquehanna University has established the following principles of conduct for high school students attending the Summer Pre-College Programs. Students who choose not to comply with these rules will not be permitted to continue in the program. Parents or guardians will immediately be informed if a situation should develop which results in their child being removed from the Workshop. Parents or guardians will also be asked to make immediate arrangements for their child's transportation home. No refund of fees will be given to students who are thus removed from the workshop.

1. Students are expected to attend all classes and activities.
2. Students may **not** have access to an automobile during their stay at Susquehanna University. Students who drive themselves to campus will be required to turn in their car keys to Office of Event Management staff during registration.
3. Students may **not** leave campus unless it is part of the workshop activities.
4. Students **must** comply with the 11:00 pm curfew.
5. Male and female students may **not** enter each other's residence hall rooms.
6. Students may **not** possess, consume, or otherwise use any controlled substance.

Please sign and return the bottom of this letter to indicate that you and your child have read and understand the rules stated above and that your child will be in compliance to these rules. Thank you for helping us provide your child with a safe and successful workshop experience. Please also complete and return the Summer Program Medical Form.

-----Sign, Detach, and Return-----

"We the undersigned, have read and understand Susquehanna University's Summer Workshop Principles of Conduct and that my child will be in compliance with said rules thereof."
