

LEADERSHIP

FACULTY COORDINATOR

Craig A. Stark, Ph.D., Associate Professor of Communications

The leadership minor is designed to focus attention in a concentrated way on a key goal of a Susquehanna education: preparing students for a lifetime of leadership in a diverse and changing world. The minor allows students to explore the challenges faced by leaders, both today and in the future.

While pursuing the minor, students will examine the qualities needed to serve as ethically trustworthy and competent leaders in a wide variety of venues, such as business, government, community, and the non-profit sector. To complete the minor students are required to serve in at least one leadership position on campus (e.g. as a resident assistant, a member of the Student Government Association, president of a club, officer of a sorority/fraternity, captain of a sports team, participant in ROTC, etc.).

Minor in Leadership. Students minoring in leadership complete 20 semester hours with grades of C- or higher, including LSHP-502 Leadership Seminar and at least one course from each of the areas listed below. Minors are also encouraged to complete a Leadership practicum with a grade of S as part of their 20 hours. While LSHP-502 is required for the minor, the other LSHP courses (100, 200, 500) can be used to count toward any of the three areas.

Double-counting restriction for interdisciplinary minors: only 4 semester hours of this minor may be double-counted toward the student's major.
