

GRANT APPLICATION – CENTER FOR TEACHING AND LEARNING

Select which best describes your proposed activity:

Name: _____

Professional Development – For example,
attending a teaching related conference/workshop.

Department: _____

Pedagogical Innovation – For example,
developing a new activity or unit within a course.

Briefly describe your proposed activity and specify how it would ultimately benefit student learning (i.e. what kind of curricular or pedagogical innovations are you likely to adopt as a results of your proposed activities?).

Provide a list of your estimated expenses.

For this grant proposal, are you seeking other sources of funding? If so, what are they?

If an applicant's proposal is successfully funded, the applicant may be invited to share the knowledge gained via the grant-supported activity with the broader SU community. This would likely take place at a session organized by the Center for Teaching and Learning.

Also, please note that grant monies are awarded as reimbursements. Individuals are responsible for submitting receipts and other relevant documentation to the Center for Teaching and Learning. Expenditures exceeding the amount of the grant will not be covered.
