Federal Direct loans and alternative loans are the opportunities available to graduate students through the Office of Student Financial Services. Graduate students are eligible for up to \$20,500 in Federal Direct Unsubsidized loans. If additional funding is needed students may apply, separately, for a Federal Direct Graduate PLUS or Private Alternative Loan. Information on this separate application process is available on our website.

Applicants must be *registered at least half-time* to be eligible for a Federal Direct Loan (*6 credits each semester during the academic year- 6 credits for each summer session*). Enrollment in a degree program is required and a valid FAFSA must be on file. If your plans change at any time, it is your responsibility to notify the Office of Student Financial Services in writing. Any reduction in the number of courses taken or tuition aid received may affect your loan eligibility.
