Complete and sign this verification form and return it to Student Financial Services (SFS) as soon as possible so that your financial aid won't be delayed. If you have any questions, please contact Student Financial Services staff at (570) 372-4450.

The U.S. Department of Education has selected your FAFSA for review in a process called "verification." SU is required to collect information in this format to confirm that you have entered correct information on your FAFSA. Your financial aid cannot be processed until all requested information is received. Failure to complete verification by the last enrolled day of the award period will result in a loss of aid. This review must be conducted under the financial aid program rules (34 CFR, Part 668). **Please note that the Verification process will not be complete until all required documentation is received.**

Instructions: Complete this section if the parents filed or will file a 2022 IRS income tax return(s). As part of federal student aid eligibility, parents and students will be required to consent and approve sharing and importing income and tax information from the IRS, using the Direct Data Exchange (DDX), to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the parents filed separate 2022 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. **In most cases, no further documentation is needed to verify 2022 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.**

If 2022 income tax return information for the parents was not available or could not be used, the parents should provide the institution with a 2022 IRS Tax Return Transcript(s) or a signed copy of the 2022 income tax return and applicable schedules.

A 2022 IRS Tax Return Transcript may be obtained through:

- **Get Transcript by Mail** – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to request the "Return Transcript" and NOT the "Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.
- **Get Transcript Online** – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript Online." Make sure to request the "Return Transcript" and NOT the "Account Transcript." To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS's two-step authentication.
- **Automated Telephone Request** – 1-800-908-9946. Transcript is generally received within 10 business days from the IRS's receipt of the telephone request.
- **Paper Request Form** – IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS's receipt of the paper request form.

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2024-2025 FAFSA. As a result, unborn children should not be included in the family size.
